Attached to the export quarantine certificate

No. _____

I, the undersigned animal quarantine officer, hereby certify that:

1. The animals from which fresh meat and meat products were derived originate from establishments that are not under quarantine restrictions for anthrax and no case of anthrax has occurred on the establishment of origin in the 20 days prior to slaughter.
 2. Cattle from which the fresh meat and meat products destined for export were derived have not been vaccinated with a live vaccine within 14 days of slaughter or a period defined by the recommendations of the vaccine manufacturer.
 3. Cattle from which fresh meat and meat products destined for export were derived have been kept in an FMD free country or zone where vaccination is not practiced or which have been imported in accordance with the OIE Code FMD guidelines.
 4. Fresh meat and meat products were derived from cattle that were born after 1 November 2001 from which the ban on the feeding of ruminants with meat-and-bone meal and greaves derived from ruminants had been effectively enforced.
