

Important Notification from Animal Quarantine Service

From 22nd April 2019

Penalty for violation against the Act on Domestic Animal Infectious Diseases Control will be applied more stringently for introduction of meat products

Regardless of whether it is abandoned voluntarily, AQS will cope rigorously with the illegal introduction of meat product.

- ◆ It is subject to a penalty in case of confirmation of livestock products such as meat products without import declaration in passenger baggage.
- ◆ Inspection may require certain time for officers to record the information of passport and boarding pass.

Base on Act on Domestic Animal Infectious Diseases Control,

In case of introducing livestock products without passing import inspection, persons shall be punished with penal servitude for a term up to three years or a fine up to one million yen.
