

Overview of the Project, Objectives and Methods of the training course

PANPILAD SAIKAEW, PROJECT COORDINATOR, FAORAP

REGIONAL TRAINING WORKSHOP

ENHANCING EFFECTIVE PARTICIPATION IN CODEX ACTIVITIES: DEVELOPING SCIENCE-BASED NATIONAL
POSITIONS AND CONTRIBUTING SCIENTIFIC DATA TO THE CODEX STANDARD-SETTING ACTIVITIES

5- 7 DECEMBER 2018, TOKYO, JAPAN

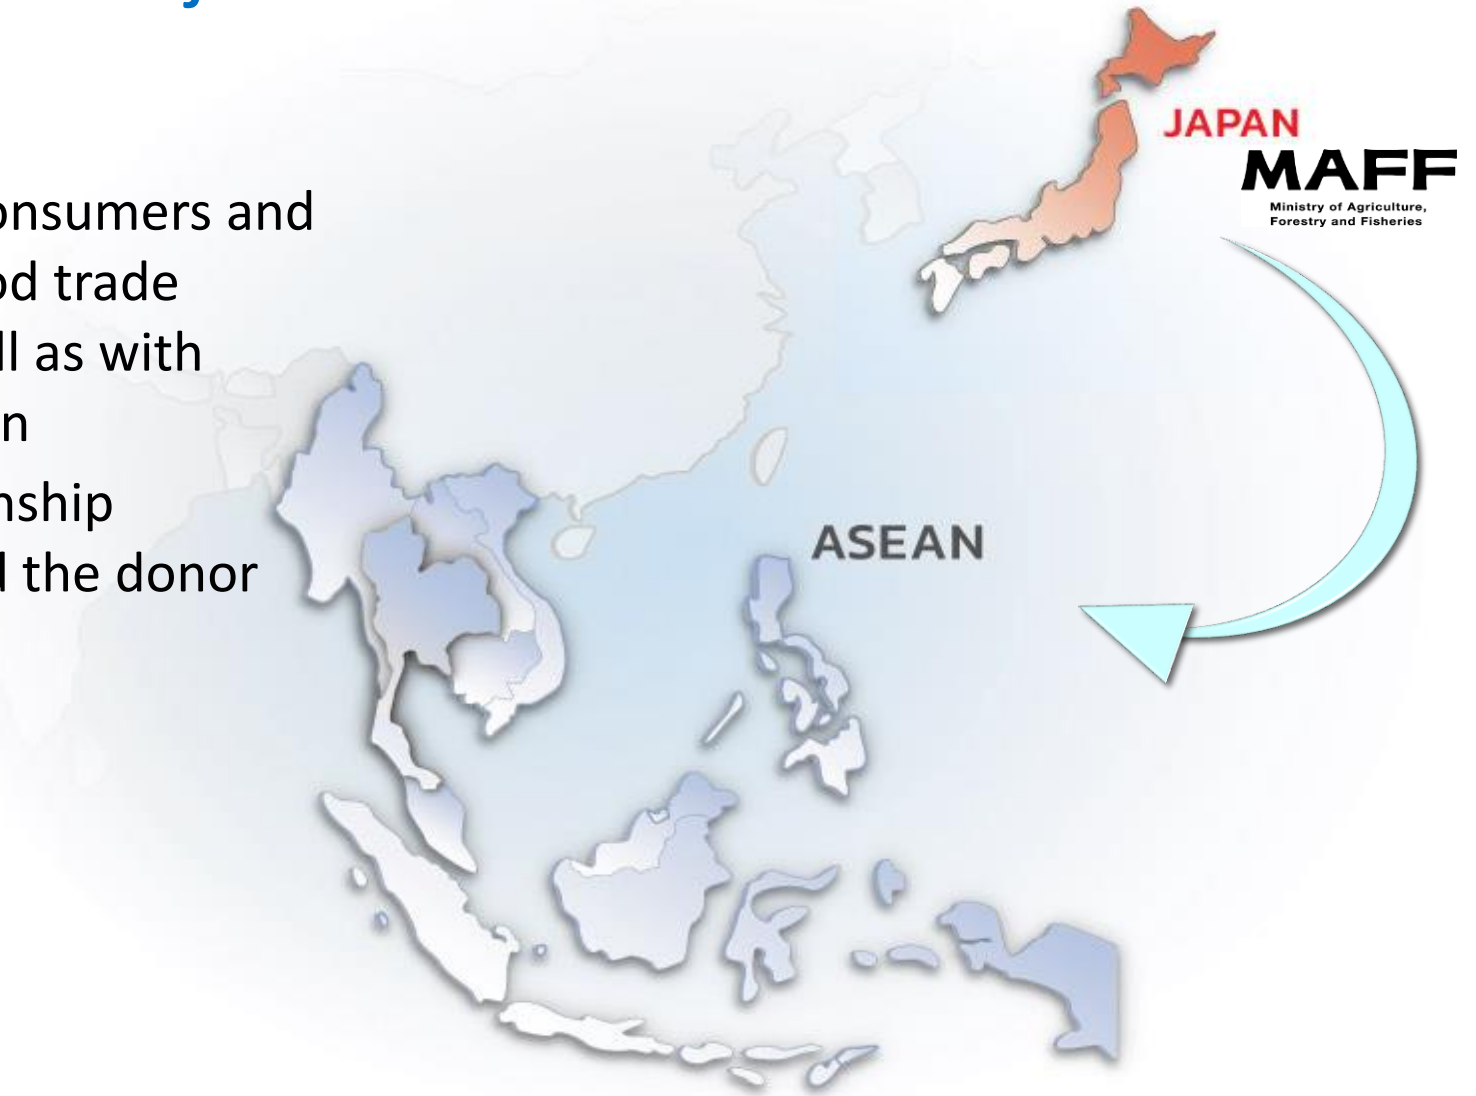

Project Overview

Objectives:

- To protect the health of the consumers and ensure fair practices in the food trade within ASEAN countries as well as with other countries including Japan
- To establish a stronger relationship between ASEAN countries and the donor

Second phase of GCP/RAS/280/JPN
(Dec 2011 to Feb 2016)

Period: Feb 2016 - Jan 2021

Project Framework

Outcome: strengthen the capacities of ASEAN countries in contributing to Codex standards-setting and implementing the adopted Codex standards

Enhance capacity to develop and harmonize various food safety standards would contribute to facilitating the ASEAN Economic Community

Output 1

Strengthened regional/national capacity for effective contribution to the Codex standard setting processes

Output 2

Strengthened manpower/institutional capacity for development of national/regional food safety standards

Output 3

Strengthened national capacity/structure for implementing international/ national standards

Output 4

Enhanced information sharing system for food safety standards implemented

Activities in 2017 - 2018

- Organize Regional, National training courses to strengthen effective participation in Codex activities:
 - regional training workshop, in Bangkok (January 2017)
 - national training workshops in the Philippines (September 2017)
Viet Nam (November 2017) and Lao PDRs (March 2018)
- Develop the training manual of “Enhancing Effective Participation in Codex activities”
- Develop the Manual of the Role, Responsibilities and Working Procedures for functioning of the Codex Contact Point of Myanmar”
- Jointly-organize the FAO/OIE/WHO meeting to accelerate prevention and control of neglected foodborne parasitic zoonoses in selected Asian countries (Lao PDR, Oct 2018)

Training Objective and Method

Objectives

- Enhanced understanding of the impact of Codex standards on international trade, structure and function of CAC and food safety risk analysis
- Recognize key factors for the achievement of the establishment of Codex standards
- Training on development of national/regional positions through mock sessions to enhance participants' capacity to contribute effectively to Codex work
- opportunity to share knowledge and experience on current national Codex activities;
- Make network between ASEAN and Japan

Methods

- ✓ Lectures
- ✓ Case studies
- ✓ Simulation-based sessions
- ✓ Active participation
