XVII  Finance for Agriculture, Forestry and Fisheries

Explanation

This part contains statistics on national and local government finance relating to agriculture, forestry and fisheries, and principal accounts of the Norinchukin Bank, the Credit Federations of Agricultural Cooperatives and the Agricultural Cooperatives, and loans by the Agriculture, Forestry, Fisheries and Food Business Unit, Japan Finance Corporation (formerly Agriculture, Forestry and Fisheries Corporation).

Data on national finance are based on the survey results by the Budget Bureau of the Ministry of Finance, and data on local government finance are based on the survey results by the Ministry of Internal Affairs and Communications.

Brief explanations for respective statistics are as follows:

1  National revenue and expenditures
   Figures on national finance are shown by types of account, government-affiliated agencies and local government finance.

2  General accounts
   Revenues and expenditures in general account of the Ministry of Agriculture, Forestry and Fisheries are shown by bureaus and by items. Public works expenditures relating to agriculture, forestry and fisheries are also shown in this part.

3  Special accounts
   Revenues and expenditures in special accounts of the Ministry of Agriculture, Forestry and Fisheries are shown by accounts and by principal items.

4  Local government finance
   Closing accounts of revenues and expenditures in general account of the local governments are shown by local governments.

5  Principal accounts of the Norinchukin Bank, the Credit Federation of Agricultural Cooperatives, and Agricultural Cooperatives
   Data are based on the results of the survey conducted by the Norinchukin Bank.

6  Approval on Loan by Agriculture, Forestry, Fisheries and Food Business Unit, Japan Finance Corporation
   Data on the approved loans by the Agriculture, Forestry, Fisheries and Food Business Unit, Japan Finance Corporation are shown here.
