

Attached Form 2 (related to IV)

Director	Head of Office		

Date:

To: Plant Protection Division, Food Safety and Consumer Affairs Bureau, Ministry of Agriculture, Forestry and Fisheries

(XX Plant Protection Station, Plant Protection Department of XX prefecture)

Reporting of the Detection based on IV, 3 of the Basic Principles to Deal with Detection of a Quarantine Pest

As a result of identification of an injurious pest detected in a survey such as a detection survey for newly introducing pests or a plant pest forecasting program, since the pest falls or is suspected to fall under a Quarantine pest defined in the Basic Principles to Deal with Detection of a Quarantine Pest, we would like to report the following information under IV, 3 of the Basic Principles.

(1) Name of the injurious pest	
(2) Date of detection	
(3) Place of detection	
(4) Name of the plant infested with the injurious pest*	
(5) Scale of damage	
(6) Others	

* It is acceptable to state the name of an attractant or a similar product.
