### Corporate Philosophy

The Sumitomo Forestry Group utilizes wood as a healthy and environmentally friendly natural resource to provide a diverse range of lifestyle-related services that contribute to the realization of a sustainable and prosperous society. All our efforts are based on the “Sumitomo’s Business Spirit,” which places prime importance on fairness and integrity for the good of society.
Public Benefit of Forest and Forestry

- To prevent decline in “public function of forest” for national land preservation.
- To contribute to GHG reduction in post-Kyoto Protocol targets.
- To prevent depopulation of hilly & mountainous area & countermeasures for aging.
