Mr. Sasaji, Deputy Director-General, Export and International Affairs Bureau holds talk with Mr. Vishtak Igor, Ukraine's Ministry of Agrarian Policy and Food

On April 10, 2024, Mr. Sasaji Deputy Director-General, Export and International Affairs Bureau held talk with Mr. Vishtak Igor, Director of the Department for Agrarian Development, Ministry of Agrarian Policy and Food of Ukraine.

1. Date

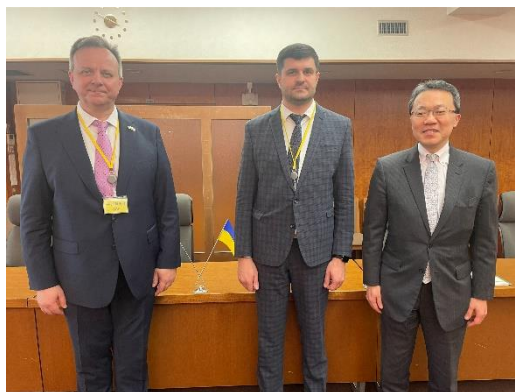

April 10, 2024

2. Overview

During the talk, Deputy Director-General Mr. Sasaji noted that Japan would be grateful if Japanese technology could be used for the quick restoration of Ukrainian agriculture. Both sides agreed to continue collaborative works together.

Two members from the Ministry of Agrarian Policy and Food of Ukraine were invited to Japan as part of “Ukraine Agricultural Productivity Recovery Support Project” supported by the FY2023 supplementary budget.

During their stay in Japan, they visited agricultural production sites and exchanged opinions with Japanese farmers. Mr. Vishtak said that he would like to introduce Japanese agricultural technologies and products to Ukraine.
