

MAFF Discusses with the Ministry of Agrarian Policy and Food of Ukraine  
and other relevant organizations in Kyiv

The Ministry of Agriculture, Forestry and Fisheries (MAFF), together with the Cabinet Secretariat, the Ministry of Economy, Trade and Industry, the Ministry of Land, Infrastructure, Transport and Tourism and others, visited Kyiv, Ukraine, from April 23 to 24, to discuss economic cooperation for the recovery of agricultural productivity in Ukraine with the Ministry of Agrarian Policy and Food of Ukraine, the Cabinet of Ministers, the National Property Fund, the state-owned agricultural machinery company. The delegation held discussions and exchanged views with Ukragroleasing, a state-owned agricultural machinery leasing company, and others.

1. Visiting Period

Tue, April 23 – Wed, April 24, 2024

2. Participant from MAFF

Mr. Asano Daisuke, Counsellor of Emerging Regions Division,  
Export and International Affairs Bureau

2. Overview

Counsellor Asano visited the Ministry of Agrarian Policy and Food of Ukraine and the Cabinet of Ministers to discuss smooth implementation of border logistics and the dispatch of Ukrainian personnel for the necessary trainings. The Japanese companies have been conducting these activities as feasibility studies in Ukraine and third countries, based on the 8 MoUs signed between 6 Japanese companies and the Ministry of Agricultural Policy and Food of Ukraine at the “Japan-Ukraine Conference for Promotion of Economic Growth and Reconstruction”, held on February 19 this year.

Furthermore, he also exchanged views with Ukragroleasing, a state-owned agricultural machinery leasing company which operates nationwide leasing business for tractors and other agricultural machinery, the State Property Fund of Ukraine, which manages Ukragroleasing, and Spectr Agro, a local agricultural materials trading company, in order to identify areas where Japanese companies can contribute to the improvement of agricultural productivity in Ukraine and to consider models of cooperation.

He also visited the National University of Life and Environmental Sciences of Ukraine to see the facilities and exchanged opinions.
