

• Christopher Dawson

Gender/Age: Male, 53 years of age

Country/Region: London, U.K

Current Position: President, Clearspring Ltd

Achievements:

Mr. Dawson has been marketing Japanese foods in the UK since 1977. He has been actively engaged in exports of selected traditional foods based on regional specialties through Japanese trading firms since 1980. In 1993 he purchased and took over the management of the British food marketing firm Clearspring, reconstructing it to focus on imports of food from Japan. Mr. Dawson also handles exports to other European countries, the Middle East and Southeast Asia. He contributes to the diffusion of Japanese cuisine by publishing books that introduce Japanese foods, providing a wealth of information on Japanese cuisine via his website.
