Overview of Export Production Areas

- In January 2023 Kurohana Wagyu Export Promotion Consortium was built. Producer, meat processor, exporter are working as one to export “Kurohana Wagyu” mainly to UAE, Taiwan, Thailand, etc.

Actions for Compliance with Export Regulations

- In 2021 received export license for UAE. Receiving guidance from Halal certification organization, watching for cranial damage and/or blood stain, meat processor butchers the beef.
- The slaughterhouse and meat processing plant received FSSC 22000 certification and receiving high rating from major trading company.

Promotional Points

- Our consortium features, “integrated production from breeding to farming until processing”, “stable supply”, and “FSSC 22000 certification”.

June 2023 participating in Food Taipei

During the show the customers were highly interested in Kurohana Wagyu booth

In April 2024, our sole importer and exclusive distributor in Taiwan invited local chefs to the seminar and our staff demonstrated the beef cutting and received high rating from local chefs.
