

Main Export Countries	United States, Australia, etc.	Export Value	190 million JPY
Source Region	Yokkaichi City, Suzuka City, Kameyama City Mie Prefecture		

Overview of Export Production Areas

- Working together with tea leaves producers in the northern part of Mie prefecture(few dozen producers), Maruei Co., Ltd. purchase the tea leaves from those producers and export to about 25 countries

Actions for Compliance with Export Regulations

- Working together with contracted farms we developed control system for tea leaves production especially for products for United States, EU, and Taiwan.

Promotional Points

- Our goal under the company philosophy, is to develop long term relationship with producers(tea leaves producers) and customers(oversea). Our business with producers continued for three generations and with oversea customers we have continued our business for more than ten years.
