Overview of Export Production Areas

- Since fiscal year 2021, in cooperation with the 5 participating fishery cooperatives, we have been working to promote export market by shipping samples and participating in exhibitions.

Introduction of alcohol brine freezing machines

Actions for Compliance with Export Regulations

- In addition to MEL certification, we acquired Halal certification in response to overseas demand.
- Miura Live Fish Distribution Center acquired FSSC22000 (March 2024) and Vietnam Export Facility Registration (July 2024).

Promotional Points

- Mie Fisheries Federation has obtained Halal certification for its farmed yellowtail, red sea bream, amberjack, striped jack, flounder and salmon.
