2000 World Census of Agriculture and Forestry QUESTIONNAIRE FOR FARM HOUSEHOLDS

(Detailed survey)

For Hokkaido

As of February 1, 2000

This Census of Agriculture and Forestry is intended to be the most authoritative statistical survey of agriculture and forestry in this country.

Statistics obtained by this survey are indispensable not only to the national government but also to prefecture, city/town/ward, town and village administrations for formulating agricultural policy and developing rural communities.

Strict privacy shall be observed: the contents of individual survey forms will remain confidential, and will not be disclosed to others or used as a basis for reviewing taxation or the like, so please ensure that your responses are truthful and accurate.

Please use a dark pencil to fill in this form.

Your address
Name of head of household
Telephone no. —

Name of
enumerator

Telephone no.

【 1 】 Household members

Notes on filling in

Household members are defined as family members who are living here, including those who are away from home on business at the time of the survey.

1 Number of members of your household

		Male (persons)	Female (persons)
181	0		
182	0		

2 No. of members of household who are 14 or under

(i.e. born on or after February 1, 1985)

3 Fill in no. of members of household who are 15 or older

(i.e. born on or before Jan. 31, 1985).

February 1999 or
later, count days as
follows:

Days engaged in own farm
business

(The sum of days engaged in your own farm
business, days managing farm for someone
else, and days working as a subcontractor.)

0 day	1 to 29 days	30 to 59 days	60 to 99 days	100 to 149 days	150 to 199 days	200 to 249 days	250 days and more
-------	--------------	---------------	---------------	-----------------	-----------------	-----------------	-------------------

Persons operated machines
in farm working

Name (Fill in only those 15 or above. (i.e. born on or before Jan. 31, 1985))	Age (Age as of Feb. 1, 2000)	Sex (Male Female)	Relationship to head of household	Person in charge of farm management (circle representative if two or more managers are present)	Spouse of person in charge of farm management	Spouse of farm inheritor	Inheritor of farm management (including possible inheritor)	Days engaged in own farm business	Persons operated machines in farm working
①	② (Age)	③	④	⑤				⑥	⑦
		Be sure to circle one.	Enter age in circle number	Circle applicable one.				Be sure to circle one.	Circle numbers
(Head of the household)	01	1 2	1	1 2 3 4				1 2 3 4 5 6 7 8 9	1
	02	1 2		1 2 3 4				1 2 3 4 5 6 7 8 9	1
	03	1 2		1 2 3 4				1 2 3 4 5 6 7 8 9	1

1917	82						

(Relationship to the head of the household)

1	Head of the household
2	Spouse of the householder
3	Children (including spouse of a child)
4	Parent
5	Brother and sister
6	Grandparent
7	Grandchild (including spouse of grandchild)
8	Others (uncles, cousins, nephews)

If no circle in 3 of ⑤

4 Inheritor living in a different place (including probable inheritor if undecided)

Do you have any inheritor (15 or over), living in a different place? If you have, fill in the column below.

Age	Sex	Days engaged in own farm business
(Age as of Feb. 1, 2000)	Male Female	0 day
		1 to 29 days
		30 to 59 days
		60 to 99 days
		100 to 149 days
		150 to 199 days
		200 to 249 days
		250 days and more
(Age)	Circle one	Circle one.

184	0			1 2	1 2 3 4 5 6 7 8
-----	---	--	--	-----	-----------------

Terminology

- Persons in charge of farm management are those who are at the heart of overall farm management regardless of men and women. If difficult to judge, those should be borrowers of farm management funds or nominal persons of the national agricultural insurance funds or farmer's cooperative accounts.
- Inheritors of farm management should be those who are over 15, and who will be successors to farm management in the next generation.

Please fill in the situations work in January 2000.
Count 8 hours as one day. Count two half days as one day if you work on a half day basis.

Businesses other than your own farm business			Persons engaged in self-owned businesses other than agriculture (sales of 150 thousand yen or more per year)	Which is a longer day, own farm business or any other? 【 2 】 Land

Notes on filling in

- For this land, fill in the present land category and area, not land category and area on the Land Register.
- Stated land area should include dykes.
- Fill in all the land including land which you own in other cities, wards, towns, and villages.

1 Paddy fields

		ha (㊦)	(㊧)	a (㊨)
Paddy fields you own	201			
Of the above, fields leased to other households (including field whose management is entrusted to someone else)	202			
Of the above, formerly-cultivated field that has been abandoned (nothing was planted in the past one year, and nothing will be planted in future)	203			
Cultivated field rented from others (including field whose management is entrusted to you)	204			
Cultivated field which you are managing (201-202-203+204)	①			
Among the cultivated fields in (①) above, areas of land readjusted to 20 a or more	208			
Among the paddy fields rented from others, areas of land readjusted to 20 a or more	205			

What did you plant in your cultivated fields in the past one year?

Rice planted paddy fields..... (excluding green-cut rice)	209				
Only non-rice crops planted..... (including green-cut rice)	211				
Paddy fields planted with nothing (fallow paddy fields)..... (excluding abandoned cultivation paddy fields)	212				

(The sum of 209, 211, and 212 matches the cultivated field which you are managing in ① above.)

2 Land under permanent crops (excluding ordinary upland fields and short time meadows)

		ha (㊦)	(㊧)	a (㊨)
Land you own which is under..... permanent crops	213			
Of the above, fields leased to other households (including fields whose management is entrusted to someone else)	214			
Of the above, formerly-cultivated land that has been abandoned (nothing was planted in the past one year and nothing will be planted in future)	215			
Land under permanent crops, rented from others (including land whose management is entrusted to you)	216			
Land under permanent crops which you are managing (213-214-215+216)	②			

Details of land under permanent crops which you are managing :

Orchards	219				
Other lands under permanent crops (Mulberry field, cultivation land for bamboo shoots, hops, ornamental trees cultivated for five years or more.)	221				

(The sum of 219, 220, and 221 matches the land under permanent crops which you are managing ②.)

3 Upland fields (including areas for pasture glass, but excluding lands under permanent crops)

		ha (㊦)	(㊧)	a (㊨)
Upland fields you own	222			
Of the above, fields leased to other households (including fields whose management is entrusted to someone else)	223			
Of the above, abandoned cultivated fields (nothing was planted in the past one year and nothing will be planted in future)	224			
Upland fields rented from others (including land whose management is entrusted to you)	225			
Upland fields which you are managing (222-223-224+225)	③			

What did you plant in this upland field in the past one year?

Upland fields planted with ordinary crops(excluding those for feed crop cultivation only and for pasture grass)	228				
Upland fields used for feed crop cultivation only (including pasture grass)	229				
Areas for pasture grass, which are under manuring practice (including tamed and improved grassland)	230				
Upland fields planted with nothing (fallow upland fields)(excluding abandoned cultivation upland fields)	231				

(The sum of 228, 229, 230 and 231 matches the upland fields you are managing③.)

4 The total area of cultivated lands you are managing (paddy fields ①+land under permanent crops ②+upland fields ③)

		ha (㊦)	(㊧)	a (㊨)
④				

5 Land used as meadows and grazing land, excluding cultivated land

Please fill in areas of land used in forests and wilderness in the past one year.

		ha (㊦)	(㊧)	a (㊨)
Pastures with no manuring practice applied	234			
Meadows and grazing land	235			

【 3 】 Planted areas for crops for sale
(excluding protected cultivation)

Please fill in the total planted area for crops for sale in the past one year (dykes are not included).

Notes on filling in

- If the planted area is less than 1a, please fill in 1 (one).
- If part of crops cultivated for sale is changed to be self-sufficient, please fill in areas including those for self-sufficient use.

Total planted area of crops for sale

		1a	(1a)	(1a)	(1a)	(1a)
Paddy field rice	301					
Wheat						
Spring wheat	304					
Autumn wheat	305					
Barley, naked barley	306					
Barley for beer	307					
Buckwheat	309					
Oats (green), rye, barnyard millet, corns, and other miscellaneous cereals (Excluding unripe corns, such as sweet corns)	310					
Potatoes for ingredients (for starch)	312					
Edible potatoes (including processing use)	313					

Pulses						
Soy beans (for beans only)	315					
"Azuki" Red beans	316					
Kidney beans (for beans only)	317					
Other pulses (Total of broad beans, cherry beans, green beans, etc.)	320					

Industrial crops						
Peppermint	330					
Sugar beets	331					
Other industrial crops (Rape seeds, sesame, lavender, hop, etc.)	333					

Total planted area of crops for sale

		1a	(1a)	(1a)	(1a)	(1a)
Tomatoes	334					
Cucumbers	335					
Eggplants	336					
Pumpkins	337					
Head-formed Chinese cabbage	340					
Cabbage	342					
Spinach	343					
Welsh onions	344					
Onions	347					
Radishes	348					
Carrots	349					
Lettuce	351					
Sweet peppers	352					
Asparagus	353					
Watermelons	354					
Strawberries	355					
Open field melons	356					
Sweet corn, green (Sweet corn, etc.)	357					
Other vegetables (Total of edible lilies, soybeans, green, Kidney beans, green, peas, green pod, etc.)	359					
Flowers (cut-flowers, potted flowers, etc.)						
Ornamental trees (growing areas) (Open field cultivation only)	360					
Seeds and seedling, nursery stock	361					
Other crops (Crops not applicable for filling in columns for crops, including crops for feed, green-cut crops, etc.)	362					

【 4 】 Areas of orchards for sale
(excluding protected cultivation)

Please fill in cultivated land areas for fruit trees for sale.

Notes on filling in

Please fill in the orchard area under cultivation for sale, 1 a or more (including no-bearing orchards).

		1a	(1a)	(1a)	(1a)	(1a)
Apples	401					
Grapes	402					
Japanese pears	403					
Others (Total of cherries, plums, figs, kiwi fruits, etc.)	415					

【 5 】 Protected horticulture

Notes on filling in

- Facilities, such as vinyl greenhouse or glasshouses, are defined so that farm workers can work in normal attitude (in a standing position).
- Count 3.3 m^2 as one *tsubo*.

1 Please fill in the areas of facilities you used in the past one year. (Exclude facilities only used for raising seedling in paddy field or for growing mushrooms.)

	m ²				
Greenhouses (such as plastic, vinyl, polyethylene)	421				
Glasshouses	422				

2 Please fill in the total harvested area in facilities in the past one year.
(Seeding in paddy fields and mushrooms cultivation are not included.)

Vegetables					423					
Flowers and ornamental plants					424					
Fruit trees					425					
Seeds, seedlings, etc.					426					

【 6 】 Mushrooms cultivated for sale

Please circle mushrooms cultivated for sale in the past one year.

(Please circle appropriate ones:)

	"Enokidake"	"Shiitake"	"Shimeji"	"Maitake"	Others
431	1	1	1	1	1

【 7 】 Livestock raising for sale

Please fill in the number of livestock or chicks raised for sale.

1 Dairy cattle (cows raising for milk)

		Head			
Two years old (24-month old) and over	442			
Younger than two years old (24-month old)	443			
Delivered cows among dairy cattle (in 442 and 443 above)	444			

2 Beef cattle

		Head				
Japanes e beef cattle	{	Calvers (including heifers for calving)	445			
		Fattening cattle (Calves to be fattened)	446			
		Calves and work cattle for sale	447			
Crosses between Japanese beef cattle and dairy cattle	{	Fattening cattle (Including calves to be fattened)	448			
		Caives for sale	449			
Dairy cattle being raised for beef	{	Fattening cattle (Including calves to be fattened)	450			
		Calves scheduled to be sold	451			
Total (445 to 451)						

3 Horses

Horses					Head
Horses for farming use	454				
(Please fill in horses for farming use.)					
Bloodhorse breeder	455				

4 Pigs

Pigs

	Heads				
Breeding pigs (female) (6-month old and over)	458				
Fattening pigs (including piglets to be fattened or breeding pigs)	459				

5 Layers (including breeding chickens)

Please fill in layers for selling eggs (including chickens).

		Tenthousand	Thousand	One hundred	No. of chickens
Number of chickens	460				

6 Broilers

		less than 100,000	100,000 to 249,999	250,000 to 499,999	500,000 to 999,999	1,000,000 to 2,499,999	2,500,000 to 4,999,999	5,000,000 or more
Number of broilers shipped in the past one year	461						

【 8 】 Items set for Hokkaido (Refer to "Dear, farm householders.")

	471			h _a	a
Planted areas of green manure crops					
Fallow green manure only	472			h _a	a

【9】 Sales of agricultural products

How much was the total sales value (gross profit) of agricultural products in the past one year (including livestock products and cultivated mushrooms)?

(Be sure to circle an appropriate one.)

100,000,000 yen or more	15
50,000,000 to 100,000,000 yen	14
30,000,000 to 50,000,000 yen	13
20,000,000 to 30,000,000 yen	12
15,000,000 to 20,000,000 yen	11
10,000,000 to 15,000,000 yen	10
7,000,000 to 10,000,000 yen	09
5,000,000 to 7,000,000 yen	08
3,000,000 to 5,000,000 yen	07
2,000,000 to 3,000,000 yen	06
1,000,000 to 2,000,000 yen	05
500,000 to 1,000,000 yen	04
150,000 to 500,000 yen	03
150,000 yen or less	02
N o s a l e s	01
	501 000

【10】 Rank and percentage of agricultural product sales amount for each product (division)

To be filled in only by households which sold agricultural products in the past one year (excluding No sales in Item 9 above).

What is the percentage in total sales value?

Please circle No. 1, No. 2 and No. 3 to show which product marked high sales amount (gross profit). If percentage is the same, mark higher ranking to the product (division) with a larger cultivated area.

For example, if it is 30%,
fill in as

	3
1	0

and 100% as

			Nb1	Nb2	Nb3		%
Paddy rice	503	00	1	2	3		
Wheat, barley, etc.	504	00	1	2	3		
Miscellaneous cereals, potatoes and sweet potatoes, and pulses	505	00	1	2	3		
Industrial crops (Coleseed, peppermint, sugar beet, etc.)	506	00	1	2	3		
Open field vegetables	507	00	1	2	3		
Protected vegetables	508	00	1	2	3		
Fruit trees (open field and protected cultivation)	509	00	1	2	3		
Flowers and ornamental trees (open field and protected cultivation)	510	00	1	2	3		
Other crops (Forage, lawn grass, seeds and seedlings, cultivated mushrooms, etc.)	511	00	1	2	3		
Dairy products	512	00	1	2	3		
Beef cattle	513	00	1	2	3		
(including dairy cattle raised for beef)							
Hogs	514	00	1	2	3		
Hens (including broilers)	515	00	1	2	3		
Other livestock (including apiculture)	516	00	1	2	3		

【11】 Number of agricultural machines you own

Please fill in the number of agricultural machines you presently own, including those shared for use in several households and those you store.

(Units)					(Units)				
Power cultivators and agricultural tractors					Power cultivators and agricultural tractors				
Walking type	Riding type				Riding type	100 PS and over	70 to 100	Hay baler	Bean harvester
	Under 15 PS	15 to 30	30 to 50	50 to 70					
523									

(Units)					(Units)				
Beet Harvester					Combine harvester				
Beet Harvester	Potato harvester	Pest control machine	Air sprayer	Rice planting machine	Reapers and binders	Combine with auto thresher	Combine (normal type)	Dryers for rice, wheat and barley	Mixer

【12】 Participation in agricultural productive organizations (including joint holdings)

Are you participating in the following productive organizations as a constituent member?

(Circle applicable items.)

		Organizations for joint utilization of machinery and facilities	Entrusting organizations to contract farm work	Joint holdings	Circle you worked as an operator.
530	0	1	1	1	1

【13】 Farm work contracted to others

Please fill in farm work you contracted to others in the past one year.

Notes on filling in

- The work which you contracted the farm management is lent cultivated land and is not included herein.
- Circle all applicable ones.
- All paddy rice farming work includes raising seedlings, ploughing and soil puddling, transplanting of seedlings, pest control, reaping and threshing, and drying and processing.

Paddy rice cropping						Wheat and barley cropping				Livestock	
All work contracted to others	Contracted for each work					Contracted for each work	Drying and processing	Reaping and threshing	Other cropping	Livestock	
	Raising seedlings	Ploughing and soil puddling	Transplanting of seedlings	Pest control							
531	1	1	1	1	1	1	1	1	1	1	

【14】 Contracted farm work

Please fill in the farm work contracted from other persons in the past one year.

Notes on filling in

- Contracted farm management is defined as cultivated land rented from others and is not included herein.

In what form did you make the contract?

(Circle one main item)

Individually

By arrangement

Directly

By the work of contracting organizations, etc.

.....

1 Paddy rice cropping

		(Actual area)					
		ha (0.1)	ha (0.1)	ha (0.1)
