2000 World Census of Agriculture and Forestry

QUESTIONNAIRE FOR FORESTRY SERVICES ESTABLISHMENT

As of February 1, 2000

(As of December 1, 1999 in Okinawa Prefecture)

This Census of Agriculture and Forestry is intended to be the most authoritative statistical survey of agriculture and forestry in this country. Statistics obtained by this survey are indispensable not only to the national government but also to prefecture, city/town/ward, town and village administrations for formulating agricultural policy and developing rural communities.

Strict privacy shall be observed: the contents of individual survey forms will remain confidential, and will not be disclosed to others or used as a basis for reviewing taxation or the like, so please ensure that your responses are truthful and accurate.

Please use a dark pencil to fill in this form.

Name of establishment

Address

Telephone no. ()

Name of representative

1 Outline of Establishment
