The Ministry of Agriculture, Forestry and Fisheries of Japan

2000 World Census of Agriculture and Forestry

SURVEY ON LAND AREA OF FORESTS - B

[As of August 1, 2000]

Name of Regional Agricultural Administration Office	Name of Establishment	Name of Branch Office

1 e 3	Name of prefectural body		Name of municipal body		Name of national forest planning region		Name of local forest planning region		Major forests		Areas designated as forest by prefectural body	
2												

I Questionnaire for each new municipal body

[Resources devoted to forestry production activities]

0	1
---	---

Forest areas, forest land areas and grazing land, and areas used for mowing and pasturing (excluding government offices other than the Forestry Agency)

I t e m			Forest area in the forest plan system	Converted areas after the forest plan system		Forest area not including in the forest plan system	Forest land area	Grazing land other than forest land (National grassland)	Forest land area and grazing land	Area of national government owned of all forest land
			Total	Increase	Decrease					
National government owned	Forestry Agency	Total	01							
		Other than profit sharing system and afforested land by government sharing (forest) agreement	02							
		Profit sharing system	03							
		Afforested land by government sharing (forest) agreement	04							
Non-national government forest	Japan Green Resources Corporation	Total	05							
			06							
	Public owned	T o t a l	07							
		Prefectural b o d y	08							
		Improvement of forest corporation (Afforestation corporation)	09							
		Municipal bodies	10							
		Property ward	11							
	Private owned		12							

Unit: ha

Areas used for mowing and pasturing				Item
Total	Forest	Grazing land other than forest land (National grassland)	Natural grassland used for mowing and pasturing in dry riverbeds, and the like	
				01
				02
				03
				04
				05
				06
				07
				08
				09
				10
				11
				12

02

Forest areas, forest land areas and grazing land, and areas used for mowing and pasturing (other government officials)

I t e m		Forest land area								
		Total	Wood land						Bamboo forest	Cut-over land
			Total	Artificial forest		Natural forest				
				Total	Needle-leaved tree	Broad- leaved tree	Total	Needle-leaved tree		
O t h e r government officials	01									

Unit: ha

I t e m		Forest land area	Grazing land other than forest land (National grassland)	Forest land area and grazing land	Area used for mowing and pasturing			
		Treeless land			Total	Forest	Grazing land other than forest land (National grassland)	Natural grassland used for mowing and pasturing in dry riverbeds, and the like
O t h e r government officials	01							

03

Areas of converted forest by use (April 1, 1990 to March 31, 2000)

Unit: ha

I t e m		Total	Plants and industrial facilities	Residential sites or for second house	Golf courses, leisure facilities, etc.	Agricultural lands	Public lands	Others
Total	01							
National government forest	02							
Public forest	03							
Private forest	04							

0	4	Damaged forest areas
---	---	-----------------------------

Unit: ha

I t e m		Total	Fire damage	Climate damage	Insect injury	Beast damage	Withered up
Total		01					
National forest		02					
Non-national forest		03					

0	5	Areas of profit sharing forest (yield-sharing forest and shared forest)
---	---	--

Unit: ha

I t e m			By type of land owned					
			Total	National government owned	Prefectural bodies	Municipal bodies	Property ward	Private owned
Yield-sharing forest	Total	01						
	National government owned (afforested land by government sharing (forest) agreement)	02						
	Japan Green Resources Corporation	03						
	Prefectural bodies	04						
	Improvement of forest corporation (afforestation corporation)	05						
	Municipal bodies	06						
	Private owned	07						
Shared forest		08						

0	6	Areas of private forest owned by villagers or non-villagers
---	---	--

Unit: ha

I t e m		Total	Villagers	Non-villagers	
				Within prefecture	Outside prefecture
Total		01			
Area owned by members of forest owners' cooperatives		02			

0	7
---	---

Forest land areas of conducting tending work (April 1, 1990 to March 31, 2000)

Unit: ha

I t e m		Forest land area			
		Up to ten years of age	11 to 20 years of age	21 to 30 years of age	31 to 40 years of age
Forest land area	01				
Actual areas of conducting tending work	02				

0	9
---	---

Conditions of forest preparation under cooperations by upper and lower situations or by nation's participation

I t e m		Forest preparation under cooperations by upper and lower situations				Forest provisions	
		Total	Areas by government grants-in-aid for forest provision	Areas by contract on profit sharing forest	Areas of headwater conservation forests obtained	Areas of forest preparation by a green fund	Volun-
							Forestation
							No. of participants
							Areas
Total	01						
National forest	02						
Non-national forest	03						

[Situations of forest in public use]

1	0
---	---

Number of facilities using forest for health-care, culture and educational activities

I t e m		Forest for learning and experience activities	Training and information centers for forest and forestry	Sports and recreational facilities in forests	Camping sites	skiing resorts	Field athletic courses
Number of facilities	01						
No. of facilities where instructors are present	02						
Areas of facilities (ha)	03						
Number of users	04						

Note: The number of users should be counted for the past one year (from August 1, 1999 to July 31, 2000). Areas of facilities (promenade) shall be extended.

1	1
---	---

Areas of forest for public use

Item		Protection forest					
		Total	Total of items 1 to 3 below	Headwater conservation	Soil run-off prevention	Total of items 4 and after	Public health
National forest (other than under Forestry Agency)	01						

Note: Please fill actual areas in and total areas in and .

08

Number of laborers exclusively engaged in forestry on a major employment basis
(Those employed and engaged in forestry for 150 days and over, from August 1, 1999 to July 31, 2000)

Unit: Person

I t e m		Total	District forest offices of Forestry Agency	Local municipality	Forest owner's cooperatives	Associations and groups (excluding forest owner's cooperatives)	Corporations	Others
No. of laborers exclusively engaged in forestry	01							

Unit { Area: ha
