Enjoy the techniques and history nurtured and passed down in the Ume (Japanese apricots) production area designated as a Globally Important Agricultural Heritage System site

Let's Travel to COUNTRYSIDE in KANSAI

Experiencing the charms of farming, mountain, and fishing villages

About

Let's Travel to COUNTRYSIDE in KANSAI

In this brochure, staff of the Ministry of Agriculture, Forestry, and Fisheries working in the Kansai region introduce recommended routes to help you discover the charms of rural mountain and fishing villages.

While visiting "Globally Important Agricultural Heritage Systems" and "World Heritage Irrigation Structures" designated by the global institutions as well as "Japanese Nationally Important Agricultural Heritage Systems" and "Connecting Rice Terraces Heritage" designated by the Japanese government, you can experience the life in farming, mountain, and fishing villages and enjoy the beautiful landscapes created by agriculture.

Please experience the charms of farming, mountain, and fishing villages that have been faithfully inherited and diligently protected to this day.
